Dear Sir,

Adverting to your letter No.R.O.C.1156 dated 17-11-1949 re: the reversion of Sri U.V.Srinivasa Rao,Steno-typist to the Judicial Department,I write to state that in addition to my office as Commissioner of Economic Development and Planning Government have appointed me as Director of Statistics and Census Commissioner for Mysore besides entrusting me with other urgent work of vital importance with the Central Government. On account of these,there is abnormal increase of work and I find it very difficult to cope with this large volume of work without having an experienced and competent official in my office. Although Sri Srinivasa Rao is attached to the Education Committee, in view of heavy pressure of work here, I am utilizing his services for some responsible work and now I have put him in charge of the Census work. In view of these circumstances I request you kindly to allow the continuance of this official in this Department for some time more without prejudice to his prospects in your Department during the tenure of his temporary employment in this Department. I have also addressed Government in the matter.

I do not wish that the official should be made to suffer because he is working here.

Thanking you in anticipation,

TO

THE SECRETARY
to Government of Mysore,
Education Department, Bangalore.

Sir,

SUB:- Census Office Establishment.

I have the honour to state that the Census Office which commenced work on the last occasion with a skeleton staff consisting of a Head Clerk, one Stenographer, a Daffedar and five peons was strengthened from time to time till the establishment eventually stood as follows:-

1 Head Clerk (later designated as Manager)
1 Stenographer
1 Accountant
2 Clerks
1 Registering Clerk
1 Mutchi
1 Daffedar
5 Peons

2. As the Census Office has commenced its work rather late this time and the neighbouring Provinces are already ahead of us in Census work, it would be necessary to employ the full complement from the beginning itself, if we are to overtake the arrears and keep abreast of the All-India Time-Table. It would also be necessary to engage a larger staff on this occasion in view of the large number of special enquiries that are to be conducted along with the general population census, as for example, the Census of

P.T.O.

Small Industrial Establishments. The previous Census Superintendent has recorded the opinion that "Census operations grow in volume from decade to decade and it is false economy to attempt to reduce the number of hands as it results only in unnecessary worry, avoidable delay and pressure on the staff without much saving in expenditure."

3. Bearing all these considerations in mind I consider that the minimum staff required for the Census Office would be as follows:-

1 Manager (Rs.150-10-200)
2 Stenographers (Rs.75-5-100-10-150/EB-10-200)
2 First Division Clerks (Rs.60-5-90/EB.8-130-10-180)
1 Accountant (Rs.60-5-90/EB.8-130-10-180)
1 Second Division Clerk for registering (40-2-50-3-80)
1 Record-keeper (Rs.40-2-50-3-80)
1 Mutchi (Rs.25-1-30)
1 Jamedar (Rs.30-1-35)
5 Peons (Rs.18-½-22)
1 Bicycle Orderly (Rs.18-½-22 + C.A.Rs.2/-)
1 Watchman (Rs.18-½-22)

This does not, of course, make provision for the Census of Small Industrial Establishments, as I propose making use of the above staff for this work also till the actual round-up is completed and the stage is reached when sorting and tabulation for this subsidiary enquiry can be taken in hand. Since it would not be possible to manage with recruits in the preliminary stages of the Census operations, I propose drafting the staff, except the menials, from other Departments of Government, paying them the usual Deputation Allowance of 20 per cent of their pay, expenditure on this account being met from the lumpsum provision to be made for the current year.

. Sanction of Government may be kindly obtained early

for the entertainment of staff as indicated above. As much time has already been lost, I have initiated correspondence with other Departments in this behalf in anticipation, and request that, in the circumstances, the action taken by me may be kindly approved.

Yours faithfully,

CENSUS COMMISSIONER.

Office of the Census Commissioner for Mysore,
Ali Asker Road, Civil Station,
Bangalore, Dated 9th March..... 19 50

TO

THE SECRETARY
to the Government of Mysore,
Local Self-Government Department,
Bangalore.

Sir,

SUB:- Additional Stenographer to the Census Office

In this Office letter No. 38/Cen 1951 dated the 8th December 1949 sanction was sought among other staff for two Stenographers to the Census Office, having regard to the enormous volume of work which the 1951 Census operations were expected to entail. Government, however, were pleased to sanction only one Stenographer and one Typist in their Order No. M. 11610-11/Cen. 13-49-2 dated the 13th January 1950.

2. Two considerations had prompted the proposal to have two Stenographers, viz., the anticipated increase in the volume of work and secondly the need for completing the work as expeditiously as possible. While these considerations still prevail, an altogether unexpected development makes a further reference in this behalf imperative.

3. The Census Commissioner for India desires that a District Census Review for each District should be published at this Census, designed to serve as a compendium. Since the Village and Taluk Tables as also the results of the Census of Small Industries, are to go into this publication, each District Volume might be expected to run into as many as 300 pages and the entire series would cover not less than 2500 pages. It is obviously impossible to get throug

this large volume of extra work without the services of an additional experienced First Division Stenographer. Even then, the two Stenographers will have to work continuously overtime and strain their utmost to cope with the work.

4. I request that in these circumstances, sanction of Government may be kindly obtained for an additional First Division Stenographer to this Office, to enable me to get through the work expeditiously and thus obviate the need for continuance of the entire establishment for an unnecessarily long time.

Yours faithfully,

CENSUS COMMISSIONER.
